

Dear Friends and Associates of Tucson Medical Center,

Tucson Medical Center has been committed to quality patient care for more than 65 years, and with your support and generosity we are able to continue to build on our excellence. We strive to make an impact on the Southern Arizona community. Through our innovative health care initiatives we work to bring inspiration and hope to hundreds of patients and their families each day.

TMC is proud to provide the resources needed to advance health care services for the many patients in our care. To continue our efforts and improvements we are launching the Tucson Medical Center Mega Raffle, the first-ever large-scale raffle focused in Southern Arizona.

As your community hospital, TMC places an emphasis on improving its facilities, purchasing lifesaving equipment, and expanding opportunities for training and education. Each day at TMC, I see our doctors, nurses and health care staff using these resources to provide exceptional care to our patients.

Each ticket purchased gives you a one in 20 chance of winning one of the more than 2,800 spectacular prizes including a luxury home package, a variety of new cars, dream vacations, and an array of the latest in electronics, jewelry, and home accessories.

Above all, by purchasing a ticket you are helping to preserve the high-quality patient care Tucson Medical Center has become known for. Our patients, families, and community deserve the best in leading health care, and with your help, TMC can make that happen.

Please know how much your support means to us and to the thousands of people whose lives you will help when you buy your raffle ticket today!

Sincerely,

Michael Duran, J.D.,
Vice President and Chief Development Officer
TMC Foundation
